

Student Email Login

All SPS students in grades K through 12 are able to have an email account. After the current AUP is authorized in eSchool, the email account will be activated. Students in grades K through 8 have internal email only. They may send and receive email to and from other students and staff members in the division. Students in grades 9 through 12 have internal and external email. They may send and receive email to and from other students, staff and external sources.

Student Email Username:

first name + last name + last four of the student ID@spsk12.net

Example: A student with the name of John Smith and a user ID of 123456789 will have an email address and username of: johnsmith6789@spsk12.net

First Time Student Password:

student ID

Example above: 123456789

Creating a New Password:

New passwords must be 8 characters or more.

WARNING:

It is **NOT** acceptable to tell all students to use the same password.

It is **NOT** acceptable to post passwords in the classroom.

It is **NOT** acceptable to set passwords for all students in the class.

The above violate the Student and Staff AUP.
